

Come Join Us

Barnstable School District's kindergarten registration is fast approaching. Trying to decide where to send your child for kindergarten can be a difficult decision. We would like to invite you and your child to come take tour at **West Villages Elementary School**. Come see the classrooms in action and have some of your questions and concern answered.

Guided tours will be given every Friday at 10:00 am. If you are interested in setting up a tour please call us at 508-420-1100. We are looking forward to meeting you and your child.

From the staff and PTO of West Villages
Elementary School
